

ABOUT US

HOPO MOULD is an professional plastic injection mould maker (our moulds 100% export) and relevant plastic products manufacturer, in Qingfeng Road, West Industrial Zone, Huangyan, Taizhou, Zhejiang, China.

We can make the precision and large size moulds include Home Appliance Moulds, Automotive/ Motorcycle Moulds, Industrial Products moulds, etc.

We insist the principle of "satisfying customers' demand with professional solutions". In order to achieve this goal and serve better for our customers, we have imported more than 20 sets advanced large-scale precision CNC machining equipments, EDM machines and milling facilities. Besides, we have set up a complete CAD / CAM / CAE system to get a better guarantee of the accuracy.

We adhere to the business spirit of " responsibility, attitude and details oriented", and always focus on the core team building.

Our company promises: reasonable prices, short production time and satisfactory after-sales service.

We sincerely hope to establish mutual beneficial cooperation relationship with you, and let us create a better future with our enthusiasm and technique.
