

Product selection

Specification

PED - - 34.5

European Standard Accumulators Nominal Volume(L) Nominal Pressure(MPa)
34.5MPa

- 1.Construction : Bottom repair,top repair
- 2.Fixation way : Clamp or bracket.
- 3.Installation : vertical.
- 4.Medium : Hydraulic oil,emulsion.
- 5.Operating temperature : -10~+70℃.
- 6.Gas charged in the bladder : Nitrogen.

Model and dimensions

Bottom Repair Construction

Top Repair Construction

Model Code	Pressure (MPa)	Volume (L)	Weight (kg)	Size(mm)
